An Executive Committee quorum was present and Dr. Troyer called the meeting to order at the NWTC Corporate Conference Center at 9 AM.

Dr. Troyer and Mr. Dallas led the group through the initial stages of a strategic planning session. The process began by framing the challenges. Members responded to “what questions do we need to ask as we explore the future role, function, and concept of a Job Center and the Workforce Development Board?” The questions were then consolidated into key topics: Funding, Customers, Image/Marketing, Relevance, Change, and Training.

A follow up meeting will be scheduled to delve further into these topic areas.

The meeting adjourned at 11:45 AM.
